

Chemistry (CHEM) Prep-Room - Undergraduate Teaching Laboratories

[Student Jobs](#) ^[1]

[Student Lab Safety](#) ^[2] Follow the links to view the University of Arizona and the Department of Chemistry safety policies and procedures.

[Student Lockers](#) ^[3] This will explain the maintenance of chemistry student laboratory lockers and the financial responsibility you assume when you check in to a locker.

[Lab Instructor Information](#) ^[4] Check this out for procedures regarding Check In, Check Out, and other administrative tips. You'll also find experiment and equipment tips here.

[Individual Research Projects](#) ^[5] If you are **taking or teaching** Chem 152, 247b, or 326, look here for information on how to manage your individual research projects. The following pages explain the most efficient way to communicate with the prep-room to aid in the success of your research project.
