

Application Procedures

BIOLOGICAL CHEMISTRY PROGRAM

An Interdisciplinary Graduate Experience

[1]

Students interested in working at the interface of biology and chemistry at the University of Arizona are invited to join the Biological Chemistry Program. Follow the [Program Framework](#) [2] link (at left) for details on the expected student background and the program format.

Prospective Students should apply to one of the three participating departments for admission to the University of Arizona, using the links below. Students accepted into any of the two home departments are welcome to join the Biological Chemistry Program.
