

Kai & Janet Haber Award in Biochemistry and Molecular Biophysics (BMB) for Doctoral Students

Spring 2009

This award has been established for **BMB doctoral graduate students** showing excellence in research and/or departmental service. This award, given to a student each year, recognizes his/her excellence in publications and/or exceptional service to the Department. The recipient must have completed his/her oral examination and advanced to candidacy. The recipient must not be in the final semester of the degree program. The value of the award is \$1,000. All applicants will be notified of the outcome by the beginning of April.

Eligibility

Any doctoral graduate student, working in the lab of a primary BMB faculty member, who has successfully completed his /her oral examination, and has advanced to candidacy, may apply. The applicant may not be in his/her final semester of the degree program.

Selection process

The **application form** and all required attachments will be forwarded to the BMB Awards Committee.

The **deadline** for submission of the application documents is 5:00 pm on Monday, March 23, 2009. Send by email or deliver the application form and attachments to the BIOC Advisor
