

# Jobs and Careers

## Current CBC Students

Click | [here for employment information for currently enrolled CBC students](#) <sup>[1]</sup> |

## BA/BS graduates

Employment opportunities for BA/BS graduates are generally in private industry, government, and education. Fortunately, the applicability of a background in Chemistry or Biochemistry is vast, resulting in myriad fields in which one may work. The following resources can assist with your job/career search.

[Access Excellence](#) <sup>[2]</sup> - Careers in Biotechnology Information about careers in biotechnology, and interviews with scientists working in the field

[AfterCollege.com](#) <sup>[3]</sup> - job search engine for chemistry-related jobs

[American Chemical Society Career Warehouse](#) <sup>[4]</sup> - for chemistry and biochemistry career information

[American Society for Biochemistry and Molecular Biology](#) <sup>[5]</sup> - Professional society for the disciplines, with sections on education and publications - check out this | [ASBMB Career Brochure](#) <sup>[6]</sup> |

[Biochemical Society - Biochemistry as a Career](#) <sup>[7]</sup> - British website with excellent general information on biochemistry careers

[Biology Online Career Center](#) <sup>[8]</sup> - Career guide, career forum, job listings, company profiles (takes a while to load)

[Careers After Biological Sciences](#) <sup>[9]</sup> - Examples of jobs that can follow a bioscience degree

[Careers in Science and Engineering](#) <sup>[10]</sup> - On-line book covering grad school and beyond

[MBAOnline.com](#) <sup>[11]</sup> - is a general information website with many resources useful to current

individuals looking to enter or advance a career in business

[University of Arizona Career Services](#) [12] - On-campus career center

[National Science Teachers Association](#) [13] - "The National Science Teachers Association (NSTA), founded in 1944 and headquartered in Arlington, Virginia, is the largest organization in the world committed to promoting excellence and innovation in science teaching and learning for all." Site includes professional information, teacher resources, newsletters, and convention schedules

[ScienceCareers.org](#) [14] - Job search by region, resume posting, etc.

## Teaching Opportunities:

- [Science Teacher Preparation Program](#) [15]
- [Teach for America](#) [16]
- Earn your Master's degree through the [Teach for Tucson](#) [17] program after graduation
- [teaching-jobs.org](#) [18] Extensive teaching employment website, including a teacher's career library, links to U.S. and world job listings, placement services for private and independent schools, and academic employment sites

[Undergraduate](#) [19]

Department of Chemistry and Biochemistry at The University of Arizona  
P.O. Box 210041, 1306 East University Blvd., Tucson, AZ 85721-0041  
Phone: 520.621.6354 Fax: 520.621.8407
